Re: MUR 4389

Dear Ms. Sealander:

I am counsel for James Prince ("Mr. Prince") and the Prince for Congress Committee (the "Committee"). On behalf of the Committee and Mr. Prince, this is to request an extension of time to respond to the complaint filed against them. A response currently is due on July 11, 1996, based upon the date the complaint was received, as confirmed during my telephone conversation with you on July 2, 1996. It is requested that the due date be extended from July 11 to July 25, 1996.

Good cause exists for such an extension. Since Mr. Prince was unsuccessful in his campaign, and individuals working for the campaign are no longer on staff, it has been difficult to contact individuals with respect to the response. The July 4th holiday, and the shortened week that resulted from that holiday, substantially cut into the 15-day period to prepare a response. Additional time is needed to fully develop the factual background. It is estimated that an additional two weeks will provide sufficient time to prepare a thorough response. Without that additional time, however, it may not be possible to prepare such a response.

Please let me know immediately whether this extension has been granted. Thank you for your cooperation.

Very truly yours,

Ronald B. Turovsky
